## 8" Twin Cone Open-Ceiling Speaker Systems

### ■ FEATURES

- Upward or Downward hanging kits available
- Easy to Install
- Twin-Cone Speaker for Good High-frequency Dispersion
- Dual 70.7/25-volt Xfrmr for Use in Most Applications
- Choose White or Black

### ■ DESCRIPTION

The Penton Audio LBC8T-HK is an economical wide-range assemblies designed for open-ceiling applications. Each includes a loud-speaker, grille and internal 70.7/25-volt transformer in an enclosure

This series uses proven 8" self-edged twin-cone loudspeaker. 70.7/25-volt transformers with 5, 2, 1, 0.5 and 0.25-watt taps.

The steel enclosure volume is 295 cubic inches. Connection is made via, 5-conductor wire. Attached is a heavy-gauge CRS grille using mounting studs to show only 4 surface screws. Models are offered in non-reflecting ceiling white (-W) and black (-B).

### ■ APPLICATION

The LBC-HK Series are suspended via steel chain.

Effective for background music, voice transmission, music, sound masking and signal reproduction. They are excellent for commercial, industrial and institutional installations. Applications start with open-ceiling retail stores with a warehouse look and include schools manufacturing offices and wherever precise transmission of audio is required.

### ■ SPECIFICATIONS

- **CONE SPEAKER SIZE:**  
8" (203 mm)

- **FREQUENCY RESPONSE (SEE FIG 1):**  
60-20,000 Hz  $\pm$  6 dB

- **POWER HANDLING (RAW DRIVER):**  
• 10 watts

- **SPL @ 1w 1m:**  
LBC8-HK: 95 dB

- **DISPERSION @ 2 kHz (6 dB Down):**  
100°

- **DIRECTIVITY Q FACTOR @ 2 kHz:**  
6.90

- **CONE DESIGN:**  
Twin Cone

- **CONE MATERIAL:**  
Paper

- **MAGNET WEIGHT:**  
• 5.34 oz

- **TRANSFORMER MAX INSERTION LOSS:**  
1.5 dB

- **CONNECTION:**  
Via Wire Nuts

- **APPROVALS:**  
CE

- **70.7-VOLT XFRMR TAPS/IMPEDANCE:**

Yellow:	5 watts	1K
Green:	2 watts	2.5K
Blue:	1 watt	5K
Violet:	0.5 watt	10K
White:	0.25 watt	20K
Black:	Common	----

- **25-VOLT XFRMR TAPS/IMPEDANCE:**

Brown:	5 watts	125
Red:	2 watts	312
Orange:	1 watt	625
Yellow:	0.625 watt	1K
Green:	0.25 watt	2.5K
Black:	Common	----

- **SUPPLIED MOUNTING ACCESSORIES:**  
2 Attached Beam Clamps

- **BAFFLE/ENCLOSURE MATERIAL:**  
Steel

- **EPOXY POWDER-COATED FINISH**  
Suffix: (-W) indicates White  
Suffix: (-B) indicates Black

- **DIMENSIONS, LXWXD; INCH (MM):**  
12.62 x 5.9 (321 x 150)

- **NET WEIGHT LBS (KGS)**  
LBC8T-HK: 4.74 (2.15)

- **ACCESSORIES:**  
Upward hanging kit  
Downward hanging kit
